# ACTIVITIES

### COMPOSTING PROGRAM

Our composting program teaches students the principles of recycling using worms as the "worlds greatest recycler". Each composting session is taught by a Master Composter. Worms are a fun way for kids to learn about recycling and become more aware of the environment.

#### **ART PROGRAM**

Students will create a special "handson" art Project to take home.

#### **MUSIC PROGRAM**

Students will enjoy singing songs like "Dirt Made My Lunch" and "Bees Have Power" that both teach & entertain.

#### **GOOD BUGS, BAD BUGS**

Learn about a variety of bugs that will be fun, interactive, movement oriented and educational - all rolled into one!

#### TRACTOR WAGON RIDES

Students will enjoy a ride on an open -air wagon pulled by a Flower Fields tractor.

#### **ENERGY IS EVERYTHING**

- Water-energy nexus what is it?
- Learn how to be stewards for the environment.
- Learn sustainability and conservation skills for your home, school and community.

## AFTER YOUR PROGRAM IS COMPLETED

Once The Flower Fields presentation is complete, students are invited to walk through the pathways of our Sweet Pea Maze, enjoy their lunch in our Picnic Area, and play in our Santa's Playground!
